ANTI-SLIP SAFETY PRODUCTS

PCB

GP1

Scotgrip anti-slip pipe/cable bridges and general purpose ramps are designed for easy manual handling and with safety in mind, the ramps incorporate a high traction anti-slip surface. With a robust construction the ramps are highly durable and ideal for the workplace where pipes, cables, hoses laid across a walkway could be a trip hazard to your personnel use.

Scotgrip anti-slip pipe/cable bridges are manufactured in 5 different sizes to suit a wide range of pipe/cable sizes.

Scotgrip anti-slip general purpose ramps incorporate the same properties as the pipe/cable bridges but with a single slot.

Call us with your requirements. Eliminate slips, trips & falls in your working environment.
