

SCOTGRIP®

step into a safer environment

Providing safety solutions to industry

Established in 1990, Scotgrip (UK) Ltd manufacture a wide range of anti-slip safety products.

In the workplace, 'slips, trips and falls' make up one of the highest accident statistics. Scotgrip manufacture durable, cost effective, high-traction anti-slip products for use on stairways, walkways, decks, ladders, bridges, ramps and gangways. Uniquely designed to eliminate these accidents even in the harshest working environments.

Scotgrip's robust construction, durability and effective high traction surfaces have been successfully proven and every product comes fully guaranteed as an assurance of its long lasting high performance.

Manufactured in a wide range of standard sizes, Scotgrip can also be custom made for areas that require unusual shapes or dimensions.

Scotgrip anti-slip products are available in 3 different surfaces.

High Profile

- Aggressive surface for harsh environments
- Offshore installations
- Heavy industrial use
- Vehicle traffic (forklift trucks etc.)

Low Profile

- Offshore installations
- Heavy industrial use
- Vehicle traffic (forklift trucks etc.)
- High pedestrian use
- General purpose

Fine Profile

- General purpose

- **Eliminates 'Slips, Trips and Falls'**
- **Cost effective**
- **High traction anti-slip surfaces**
- **Tough and durable**
- **Standard sizes and custom made**
- **Fully guaranteed**

step into a safer environment with Scotgrip®

Heavy duty anti-slip safety products

- **High-traction anti-slip, available in high, low and fine profiles.**

Scotgrip provides a sound footholding even in the most extreme conditions. Scotgrip eliminates high accident statistics, recorded every year, for 'slips, trips and falls'.

- **Highly visible**

Colour coded in a wide range of colour schemes to suit individual locations. Fluorescent and photoluminescent finishes are also available.

- **Heavy duty**

Scotgrip is extremely durable and remains highly effective for many years.

- **Standard sizes or to customer specification**

Scotgrip is manufactured in a wide range of standard sizes. We regularly manufacture custom made products to suit individual locations.

- **Ease of installation**

Scotgrip is designed for quick and secure fitting, either by mechanical fixings, welding or bonding to existing surfaces. Scotgrip products are pre-drilled where required to aid installation.

- **Quality**

All Scotgrip products are manufactured to the highest standards at our premises in Banchory, UK.
